

ATHENA PHARMACY MEDICATIONS

Your physician will be ordering two customized medications from Athena Pharmacy. These medications will help maximize your time to recovery.

You will receive two prescriptions from Athena Pharmacy. A customized topical pain reliever intended to help reduce pain and soreness and a prescription supplement that may help your body heal more quickly, improve mood and energy.

You will be receiving a call from an area code 615 approximately 2 weeks before your procedure. Please accept this call as it will be Athena Pharmacy calling to set up the delivery of your prescriptions to your home. Athena Pharmacy will let you know your co-pay or cost before shipping the prescriptions.

If you have not heard from Athena Pharmacy one week prior to your surgery, please call the pharmacy at: 1-844-641-1616.
